

Dave Whitaker & SON TRACTORS LTD

FTS G-FTL105 Rotovator

£870.00

Rotovators are ideal for tilling and levelling the ground. The heavier soil and debris is placed underneath the light tilled soil, which then lays on top of the rotovated surface. Skids are height adjustable for flexible use and the rear flap creates a smooth level finish to the tilled soil. Working

Width - 105cm Tractor HP - 15-22 Tilling depth - 9cm Weight - 195kg
